Our forums

NEW SOCIAL PARADIGM

IEGS forums as platforms for discussion and promotion of science, public policy and interaction of different actors

INTERENEF - International energy forum

1. INTERENEF 2017. EU-RUSSIA

Panels:

- Europe, global trends and challenges in energy in the 21st century
- The state of the energy sector in Southeast Europe
- Investment and business opportunities in the Republic of Croatia in the field of energy

ABOUT 1. INTERENEF

The Forum was held under the auspices of the Deputy Prime Minister of the Republic of Croatia and Minister of Foreign Affairs Marija Pejčinović-Burić, Entrepreneurship and Crafts minister Martina Dalić and other Croatian politicians, diplomatic representatives accredited in the Republic of Croatia, as well as entrepreneurs operating in the energy sector.

2. INTERENEF 2018. EU-EUROASIA

Panels:

- Energy trends and tendencies in Eurasia
- EU-Eurasia, global trends and energy challenges of the 21st century
- Investment and business opportunities in the Republic of Croatia in the field of energy

ABOUT 2. INTERENEF

The EU-Eurasia Forum: Geopolitical Energy Perspectives is a continuation of the previously held EU-Russia Forum. The focus of the forum was on the energy potential of Eurasia and its impact on the interests of the EU, with special reference to the Caspian region, where Azerbaijan and Kazakhstan are significant energy players.

3. INTERENEF 2019. GLOBAL ENERGY TRENDS

Panels:

- Globalni energetske trendovi i predviđanja
- Inicijativa 3 mora i europski energetske trendovi
- Europa i Hrvatska: Pogled na solarnu energiju

ABOUT 3. INTERENEF

The forum discussed dependence on energy imports from both Croatia and the European Union. Both actors were forced to accelerated investment and development of renewable energy sources, as well as on diversification of energy supply routes to increase their own energy, economic and political security.

4. INTERENEF 2020 MEDITERRANEAN ENERGY

Panels:

- Energy and Economic Crisis 2020
- Mediterranean and Geopolitics of Energy Security
- Mediterranean, Climate Change and Energy Transition

ABOUT 4. INTERENEF

The forum discussed the crisis caused by the pandemic, the matrix of energy relations that is changing the dynamics of power between countries, in world of flammable political tensions and how climate change is affecting the Mediterranean and what strategy the European Union and Croatia are implementing.
