

**FUNDAMENTAL TERMS OF ENERGY POLICY AND ENERGY
GEOPOLITICS**
DIGITAL LEXICON

International Energy Forum (INTERENEF) Database
www.interenef.com

Andelko Milardović

INDEX

A

Alternative energy sources

Artificial Intelligence and Energetics

B

Biodiesel

Biofuels

C

Climate and energy

Climate change

Climate change and energy

Climate migration and energy

Control of energy resources

Croatian energy companies

Croatian energy policy

Croatian energy policy goals

D

Decarbonization

Demography and energy

Difference between the Terms Energy and Energetics

Digitalization of the energy sector

Diversification of energy sources

E

Energy

Energy

Energy Law

Energy Policy Regulation

Energy and migration

Energy as an instrument of geopolitical dominance

Energy as an instrument of political power

Energy availability

Energy awareness

Energy consumption

Energy crisis

Energy democracy

Energy efficiency

G

Geopolitics in the Balkans and Energy
Geopolitics of America
Geopolitics of Bosnia and Herzegovina and Energy
Geopolitics of Croatia and Energy
Geopolitics of Energy
Geopolitics of Energy Flows
Geopolitics of Eurasianism and Energy
Geopolitics of Gas Pipelines
Geopolitics of Kosovo and Energy
Geopolitics of Macedonia and Energy
Geopolitics of Montenegro and Energy
Geopolitics of Oil
Geopolitics of Russia and Energy
Geopolitics of Serbia and Energy
Geopolitics of Slovenia and Energy
Geopolitics of the "Russian World" and energy
Geopolitics of the "Serbian World" and Energy
Geopolitics of the Eurasian Union and Energy
Geopolitics of the European Union and Energy
Geopolitics of the Land
Geopolitics of the Multipolar World
Geopolitics of the Sea
Geopolitics of water
Geothermal energy
Germany's dependence on Russian energy sources
Global energy companies
Globalization of energy
Government and Energy Policy

H

Hrvoje Požar Energy Institute
Hydrogen Energy
INA-MOL and the Hungarian influence on the Croatian energy industry

I

Innovations in the energy sector
International energy security
International law and energy

L

LNG

LNG Croatia

Law and Energy

M

Merkel and Putin and Germany's energy policy

N

National energy strategy

New energy order

Nord Stream

Nuclear energy

O

Orban - Putin and energy policy

P

Philosophy of Energy

Political science of energy

Politics and energy

R

Rational Energy Use

Renewable energy sources

Risk Management in the Energy Sector

Risk society and energy

Risks in Energy in the Context of a Global Risk Society

Russia and the Geopolitics of Energy

Russian Energy Companies

Russian Energy Influence on Croatia

Russian Gas Supply to Europe

Russian Geopolitics of Energy in the Balkans

Russian and Hungarian Capital in Croatian Energy

Russian energy policy goals

S

Smart technologies and energy

Sociology of Energy

Sustainable development

Sustainable development and energy

Sustainable energy

T

Technology and Energy

The Century of Oil

The new energy order and America

The new energy order and Russia

The new energy order and the European Union

Thermal Energy

Turkish Stream

U

US energy companies

US energy geopolitics

US energy influence on Europe

US energy policy

US energy strategy

W

Wars over Energy Resources
