9th INTERENEF

INTERNATIONAL ENERGY FORUM 2025

NEW ENERGY ORDER: CHALLENGES AND OPPORTUNITIES

TENTATIVE PROGRAM

Dear participants:

Thank you all who confirmed participation at the conference. Looking forward for those of you invited to confirm as soon as possible.

Your participation would greatly enhance the depth and breadth of our discussions, particularly on the topics of energy policy and the geopolitical dimensions of the new energy order. We are confident that your insights will inspire and inform our audience.

Date: October 14, 2025

Venue: International Hotel, Miramarska cesta 24, 10 000 Zagreb, Croatia

Organizers: Institute for European and Globalization Studies, Zagreb

The Atlantic Council of Croatia, Zagreb

Under The Auspices: The Ministry of Economy of the Republic of Croatia

Panelists: Top experts in the field of energy

Goals: To provide extensive expertise in energy policy and the geopolitics dimensions of the new Energy order

09:30
