## Institutional design of the forum

- The forum seeks to be shaped as a global energy forum modeled after Davos with headquarters in Zagreb.
- The forum systematically deals with energy policy and the geopolitics of energy in interaction with other social arenas.

[www.interenef.com](http://www.interenef.com)

## Participants

1. Ambassadors/diplomats
2. Energy, agricultural and food companies
3. Academic community
4. Ministries, government agencies and civil society.
